

**Michele Raftery, FSMPS, CPSM, WELL AP**

Principal/Partner

4240 Architecture Inc, Denver, CO

SMPS Colorado

As a Principal and Partner at 4240 Architecture, Michele Raftery, FSMPS, CPSM, roles are diverse—from leading the firm’s project pursuits, business and marketing strategy, research and development, office management and HR to managing visioning, analytics, and graphic design on project teams. Michele’s experience spans many regions, scales, and project types including: hospitality, multi-family, senior housing, commercial office, government, and higher-ed in locations as far at Hong Kong and project costs up to \$500M. She’s passionate about learning and always eager to serve the profession to advance the quality and impact of the built environment. This life-long learning ethos manifests itself through listening platforms at home with her four children and service platforms beyond. Michele is currently serving as a Trustee for the SMPS Foundation and is a SMPS Colorado Past President (2016/17) and Leonardo Winner (2020/21).
