

formula for success

chemistry: share and build

content: client-centric

CHALLENGES

CONCEPTS

GAINS

EVIDENCE

what need drives this project?

what impacts delivery?

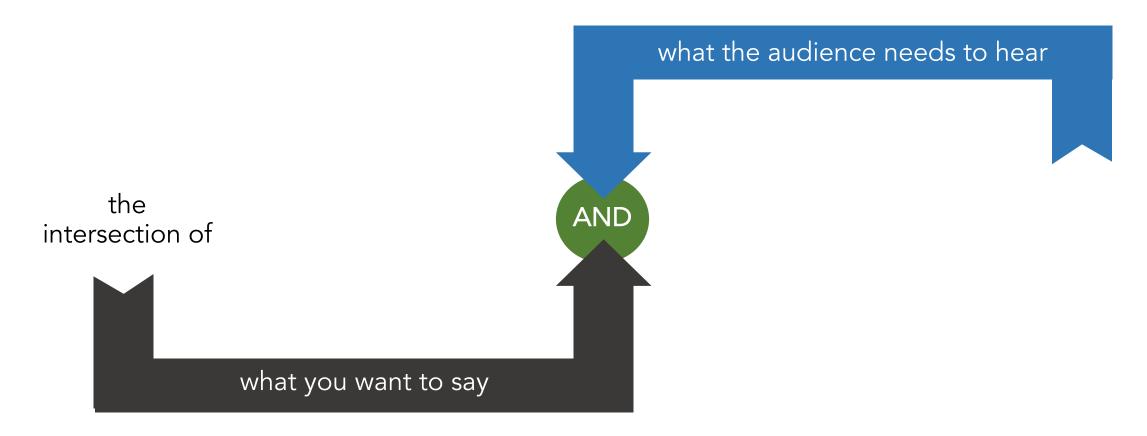

how will you relieve each pain point?

what does the client gain?

where have you done it before?

content: tell your story

credibility: building trust

Trust has two dimensions: competence and integrity. We can forgive mistakes of competence. Mistakes of integrity are harder to overcome.

: Simon Sinek
